Dear Parent or Guardian,

Federal education law requires that parents/guardians of children enrolled in Title I schools be notified if their child has been taught for four consecutive weeks by a teacher who does not meet State licensure requirements at the grade level and subject area in which the teacher has been assigned. As of this writing, your child's teacher Ashley Gonzalez has not met the State licensure requirements for Special Education. She is, however, currently working to meet the requirement and we have full confidence in her ability to effectively teach in this assignment between now and June 30, 2025.

If you have any questions regarding Ashley Gonzalez's qualifications, please feel free to contact us at 413.750.2887.

Sincerely,

Anna Breen
